Exchange information online via forum and bulletins
Enjoy varied space for outdoor community projects
Support renewable / natural energy
Commit to a mission of local food and low carbon living
Log experience and training for voluntary time given for accreditation (if applicable)

How it works

- **Drop in** (call first) on any Tuesday morning to help with community allotments (a local food project).
- **Look online** or call for a list of projects and jobs that you could help with in any small part (we can team you up with others if you like).
- **Help** maintain the land and orchards
- **Receive** occasional email bulletin about sessions and workshops
- **Get involved** and contribute funding and project ideas.

Join today, or online, or leave your details and we will contact you.

Cost

Individuals (children free): £5 per year
Groups / organisations: £30 per year

GIFT AID Yes

Pay tax? Would you like Chyan to claim another 28% from the tax office? Tick in box above.
